

Mine Safety Appliances Company, 1000 Cranberry Woods Drive, Cranberry Twp, PA 16066

Telephone: 724-776-8600

To whom it may concern:

**MSA P/N 10154954**, the battery pack used in the ALTAIR® 2X Gas Analyzer, and **MSA P/N 10155203** 8 pack of replacement batteries for ALTAIR® 2X Gas Analyzer, are considered articles as defined in 29 CFR 1910.1200(c). Articles are exempt from the Hazard Communication Standard and no SDS is required for this product. In order to aid in your understanding the contents of this battery pack the following table lists potential hazardous components within the battery pack at the time of manufacture.

POTENTIAL HAZARDOUS COMPONENTS	QUANTITY
Metal Lithium	4%
Thionyl Chloride	40%
Aluminum Chloride	3%

The state of charge of the battery as well as the environment in which you used the battery pack may have impacted its contents. It is your responsibility to dispose of spent battery packs in accordance with local, state, and federal laws and regulations. Please provide this information to your regulatory affairs and/or safety officer.

Should you have additional questions contact MSA at the above phone number.
